SPONSORSHIP PROSPECTUS

## ABOUT US

PitchTeen is a Delhi based student-run organization with team of 12 high school students from USA and India that is dedicated to provide the youth with right resources to develop their entrepreneurial and technical skills .

In our tech startup competition, we aim to inspire high schoolers from all backgrounds to become proactive leaders in the society, not just with a platform to showcase their projects but also with workshops and mentors.

# WHY PITCHTEEN?

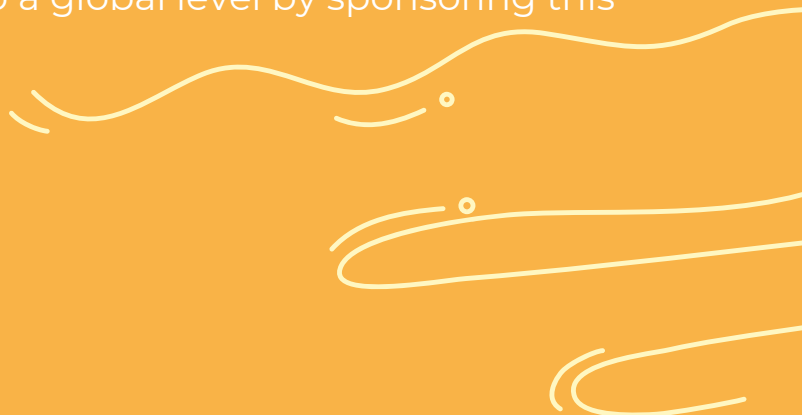

PitchTeen's tech startup competition is Delhi's first for high schoolers by high schoolers entrepreneurship competition.

Our attendees will come from various backgrounds and different experience levels. As a sponsor, you may be the first professionals that some will come across. Therefore, their first exposure to the tech and business industry could be solely based on you. In other words, for these first-timers, sponsors will become what they see in the industry.

As a featured sponsor, your company would be prominently featured in front of a large number of youth from all around the world, all of whom are part of your target market. As you can see from the nature of event, it is clearly apparent that your company can expand your reach to a global level by sponsoring this event.
